MEMORANDUM FOR: Chief, Management Support Staff, OLC

STAT FROM:

[Redacted]  
Chief, Supply Division, OL

SUBJECT: Testimony by the Director of Logistics  
Before the Senate Government Affairs  
Subcommittee on Federal Spending Practices  
and Open Government

REFERENCE: Memo dtd 17 May 79 to C/MSS/OLC fm  
C/SD/OL, same subject (OL 9 1997)

STAT

Based on discussions between the undersigned and  
[Redacted] Chief of Operations (PTOS), we wish to  
amend the second sentence of paragraph 4 of the opening  
statement attached to the referent to read as follows:  
"In certain instances, it has been necessary for us to go  
off schedule and negotiate directly with these same GSA-  
approved safe manufacturers." The reason for this change  
is to emphasize that even though it was necessary for the  
Agency to negotiate directly for the acquisition of certain  
safes rather than utilizing a Federal Supply Service (FSS)  
contract, such negotiations were only held with GSA-  
approved safe manufacturers, i.e., the same manufacturers  
which were shown on the FSS schedule.
